

ACCESS FITTINGS

Time is money, and the DiversiTech range of access valves and fittings are designed for quick and easy installation on either OEM equipment or for refrigeration servicing. They can be installed anywhere, on either the high or low side for charging, purging, quick testing, or pressure checking.

The DiversiTech access fittings have a 1/4" SAE male flare access ports, and include a quick seal cap, in addition to a stainless steel and brass Schrader core fitted.
